

SoundCheck

Authors: Daniel Polzik, Arina Smirnova, Daria Suvorova

https://146.90.171.34/SoundCheck/first_page.php

Welcome page

Page where you get when first on site, allows to write comments if logged in.

The screenshot shows the homepage of SoundCheck. At the top, there is a black header bar with the SoundCheck logo on the left, a search bar with the word "Search" twice, and icons for user profile and shopping cart on the right. Below the header, there is a navigation bar with four categories: "All", "In-ear", "Over-ear", and "Wireless". The main content area features a large, colorful gradient background transitioning from yellow to orange to red. Overlaid on this background is the text "Welcome to SoundCheck" in a large, white, sans-serif font. At the bottom of the page, there is a white call-to-action box containing the text "Leave your review here" and a small, empty input field.

User page

Shows and allows to edit personal information. Shows user's order history.

The screenshot displays the SoundCheck user interface. At the top, there is a navigation bar with the SoundCheck logo, a search bar, and user icons for profile and cart. Below the navigation bar, there are four categories: All, In-ear, Over-ear, and Wireless. The 'All' category is selected, showing two main sections: 'My information' and 'Order history'. The 'My information' section contains fields for Username (test), First name (Daniel), Last name (Polzik), Email (test@test.com), and Phone number (97524757). It includes 'Confirm changes' and 'Log out' buttons. The 'Order history' section lists two orders. Order 1 has an ID of 123456-7938, a date of 12.03.2023, and a total price of 12579\$. Order 2 has an ID of 123456-7938, a date of 12.03.2023, and a total price of 10\$.

Order page

Requires personal data for ordering, allows to finish your order.

The screenshot shows the SoundCheck website's order page. At the top, there is a black header bar with the logo "SoundCheck" on the left, a search bar with the placeholder "Search" in the middle, and user icons (profile and cart) on the right. Below the header, there are four product categories: "All", "In-ear", "Over-ear", and "Wireless". The "In-ear" category is currently selected. The main content area is titled "Order Form" and contains sections for "Personal information", "Contacts", and "Address". The "Personal information" section includes a "Name" field with the value "Daria". The "Contacts" section includes an "Email" field with the value "daria@yandex.ru", which is highlighted with a red border. The "Phone Number" field contains the value "+79215955416". The "Address" section is currently empty.

Administrator page

Allows to manage user accounts, user reviews and add new goods to the shop.

The screenshot shows a dark-themed administrative interface. At the top left is the logo "SoundCheck". In the center, the title "Admin Panel" is displayed in a light blue font. On the right side of the header are two links: "Dashboard" and "Logout". The main content area features a background pattern of white wavy lines on a black background. It contains four rectangular buttons, each with white text and a black background:

- View Users**
- View Products**
- Add New Product**
- View Reviews**

Product adding page

Allows to add new product if logged in as administrator

The screenshot shows a dark-themed admin interface. At the top, a navigation bar includes the logo "SoundCheck", the title "Admin Panel" in red, and links for "Dashboard", "View Users", "Add product", and "Logout". The main content area is titled "Add New Product". It contains four input fields: "Product Name" (with a placeholder box), "Product Description" (with a larger text area), "Image Link" (with a placeholder box), and "Price" (with a placeholder box). The background features a subtle wavy pattern.
